

HAND OPERATED SEALING MACHINES

Ideal for sealing heat sealable poly pouches

KEY FEATURES

-  Instant (Impulse) Sealing
-  Adjustable Electronic Timer
-  Audio Visual Sealing Indicators
-  Suitable for Sealing Solids, Granules & Powders
-  Round Element Option for Simultaneous Sealing & Cutting
-  Heavy Duty Build for Long Life

APPLICATIONS

Food

Pharmaceutical

Chemical

Retail

Industrial

TECHNICAL SPECIFICATIONS

Model	Seal (mm)		Power		Dimension (mm)			Weight (kg)
	Length	Width	V	W	L	B	H	
			Impulse Sealers
