

CONTINUOUS

BAND SEALER

WITH GAS FLUSHING

KEY FEATURES

Gas flushing with Nitrogen for longer shelf life

Heavy duty continuous operation

Wide temperature range 0 – 300°C

Adjustable sealing speed 0 – 12 m/min

Strong and secure 10mm – 12mm wide seal

Stainless steel body, durable & corrosion resistant

Easy to operate & low maintenance

IDEAL FOR

Food

Snacks

Pharmaceutical

Tea & Coffee

Dry Fruits

Spices

Extends shelf life

Maintains product freshness

Prevents oxidation

TECHNICAL SPECIFICATIONS

SPECIFICATION	SCS 3HG SMART
Model	SCS 3HG SMART
Voltage	240/50Hz
Power	500 W
Sealing Speed	0 – 12m/min
Sealing Width	10mm - 12 mm
Temperature Range	0 – 300°C
Max conveying load	1 kg * 3
Dimension	800*420*320 (mm)
Weight	32 kg
Gas	Nitrogen
Compressed air supply	6 - 10 bar
